

Stadium Astro: The Ultimate UEFA EURO 2016™ Companion app

Only RM6* per match for non Astro customers on Astro on the Go

As the Official Broadcaster of the **UEFA EURO 2016™**, Astro will bring the full coverage of the European Championship, all 51 matches LIVE, beyond the TV screen to **Astro on the Go** app and the all new **Stadium Astro** app is set to further get Malaysian sports fans digitally engaged with the championship.

Lee Choong Khay, Astro Head of Sports Business said, “Astro is committed to bring unmatched coverage of the UEFA EURO 2016™ on all screens to provide every moment and every match to sports fans no matter where they are with Astro on the Go. Our all new Stadium Astro serves as the ultimate companion app for the UEFA EURO 2016™, offering official match highlights in multi-angle, in-depth teams and players’ stats with comparisons, news, video on demand content and more. With Astro on the Go and Stadium Astro, Malaysians will be able to fully experience the European Championship on Astro’s digital platforms.”

Football fanatics who want to catch all of UEFA EURO 2016 matches will need a **Sports Pass** to enjoy it on Astro or *Astro on the Go* anytime, anywhere. You don’t have to be an Astro subscriber to catch all the action, just purchase the **Sports Pass** at RM104.95* via *Astro on the Go*. For fans who only want to follow selected matches, they can purchase pay-per-view matches at only RM6* per match. As for the casual viewers, they can watch 12 matches live for FREE on Astro ARENA only Astro on the Go. All purchases can be done via Astro on the Go Android app or via web at www.astroonthego.com

The all new **Stadium Astro** is the most comprehensive destination for UEFA EURO 2016 fans. Available via mobile app and website, fans can find all the latest news, fixtures and results teamed up with most updated statistics, teams and player profiles. A treat only for ‘Sports Pass’ holders via Stadium Astro mobile app are *Multi-angle highlights* for all matches, *Team and Player comparisons* only for the ultimate fan. Relive the best goals, saves and plays from every angle, be it from the stands, behind the goals, bird’s eye view and more with multi-angle highlights. The team and player comparison feature

allows you to compare stats of teams and even as detail as comparing players shooting and passing accuracy, distance covered, cards received and much more. Surely the Stadium Astro app is a dream for football fans and especially for Stadium Astro Fantasy Euro 2016 players.

UEFA EURO 2016™ kicks off 11th June with the opening match between hosts France versus Romania at Stade de France at 3 a.m. Malaysian Time. Catch it live on Astro and Astro on the Go and experience all the team news, stats, and highlights in multiple angles via Stadium Astro app.
